

BÖLL MANDWA

The team of Heinrich-Böll-Stiftung (HBS) Pakistan is pleased to introduce our Film Club BÖLL MANDWA, starting from January 2011 onwards. A series of International movies would be shown at our premises, Nisar Colony, Lahore on a regular basis (once to twice a month).

The objective of BÖLL MANDWA is not purely entertainment, but also to generate some discussion on the social, cultural or political issues raised in the movies screened. We hope, that the Film Club will provide you the space and opportunity to interact, discuss and spent an evening with us.

Since this a new initiative, we also look forward to your feedback and ideas to make BÖLL MANDWA as a joint success.
